

Regional Application Support Intern

Company Overview:

Established in 2010 and headquartered in Singapore, BIPO is a **global payroll and people solutions** provider. Our comprehensive **total HR solutions** include our Human Capital Management (HCM) suite, Global Payroll Outsourcing (GPO) and Employer of Record (EOR) service across 150+ global markets.

We are better connected to support companies' payroll and people solutions needs through a global network of 40+ offices, four R&D centres, and business partners across 100+ markets. To date, we have served 460,000+ headcounts and 3,300+ clients.

Key Responsibilities:

- Understand, investigate, troubleshoot and resolve incidents raised by customer through remote connection, phone, email and/or on-site visit.
- Provide timely response, follow-up, and resolution to ensure all support activities are tracked and closed within stipulated SLA.
- Partner with the Quality Assurance / R&D Team internally and customer externally to identify issue, perform various testing to reproduce issues, and to deliver the program fix to the customers.
- Provide knowledge and best practices on the system functionality.
- Continually seeks opportunities to increase customer satisfaction and deepen client relationships.
- Assist in improvements to the support processes, supporting documentation and/or our software.

Requirements:

- Relevant diploma or degree in Computer Science / Information Technology
- Possess strong analytical, problem identification and problem- solving skills with solution focused mindset and desire to learn.
- Good knowledge of Microsoft SQL and Microsoft Office.
- Good spoken and written communications
- Teamwork
